
**Prohibition of Incentive Compensation**

Senior managers and executive level employees who are only involved in the development of policy and do not engage in individual student contact or other covered activities will not generally be subject to the incentive compensation ban.

The Chancellor shall identify any covered employees of the District and determine whether the District’s compensation arrangements comport with the prohibition on incentive compensation, and to the extent that they do not, make necessary modifications to comply. Similarly, the Chancellor shall identify any covered service providers, evaluate whether the contract pricing structure is consistent with the prohibition on incentive compensation, and if not, determine what modifications the District can make to any applicable contract.
