- Hearing Panel – The hearing panel for any disciplinary action shall be composed of one administrator, one faculty member, and one student.

The College President, the president of the Academic Senate, and the Associated Student Body President shall each, at the beginning of the academic year, establish a list of at least six (6) persons (2 persons each) who will serve on student disciplinary hearing panels. The College President shall appoint the hearing panel from the names on these lists. However, no administrator, faculty member, or student who has any personal involvement in the matter to be decided, who is a necessary witness, or who could not otherwise act in a neutral manner shall serve on a hearing panel.

  - The facts supporting the accusation shall be presented by a college representative who shall be the CSSO or designee.
The college representative and the student may call witnesses and introduce oral and written testimony relevant to the issues of the matter.

Formal rules of evidence shall not apply. Any relevant evidence shall be admitted.

Unless the hearing panel determines to proceed otherwise, the college representative and the student shall each be permitted to make an opening statement of no more than three minutes. Thereafter, the college representative shall make the first presentation, followed by the student. The college representative may present rebuttal evidence after the student completes his or her evidence. The burden shall be on the college representative to prove by the preponderance of the evidence that the facts alleged are true.

The student may represent himself or herself, and may also have the right to be represented by a person of his or her choice except that the student shall not be represented by an attorney unless, in the judgment of the hearing panel, complex legal issues are involved. If the student wishes to be represented by an attorney, a request must be presented not less than five days prior to the date of the hearing. If the student is permitted to be represented by an attorney, the college representative may request legal assistance. The hearing panel may also request legal assistance; any legal advisor provided to the panel may sit with it in an advisory capacity to provide legal counsel but shall not be a member of the panel nor vote with it.

Hearings shall be closed and confidential unless the student requests that it be open to the public. Any such request must be made no less than five (5) days prior to the date of the hearing.

In a closed hearing, witnesses shall not be present at the hearing when not testifying, unless all parties and the panel agree to the contrary.

The hearing shall be recorded by the District either by tape recording or stenographic recording, and shall be the only recording made. No witness who refuses to be recorded may be permitted to give testimony. In the event the recording is by tape recording, the hearing panel chair shall, at the beginning of the hearing, ask each person present to identify themselves by name, and thereafter shall ask witnesses to identify themselves by name. Tape recording shall remain in the custody of the District at all times, unless released to a professional transcribing service. The student may request a copy of the tape recording.

All testimony shall be taken under oath; the oath shall be administered by the hearing panel chair. Written statements of witnesses under penalty of perjury shall not be used unless the witness is unavailable to testify. A witness who refuses to be tape recorded is not considered unavailable.

Within five (5) days following the close of the hearing, the hearing panel shall prepare and send to the CSSO or designee a written decision. The decision shall include specific factual findings regarding the accusation, and shall include specific conclusions regarding whether any specific section of the Standards of Student Conduct were violated. The decision shall also include a specific recommendation regarding the disciplinary action to be imposed, if any. The decision shall be based only on the record of the hearing, and not on matter outside of that record. The record consists of the original
accusation, the written response, if any, of the student, and the oral and written evidence produced at the hearing.

The decision of the CSSO or designee shall be final.

Board of Trustees Decision

- The Board of Trustees shall consider any recommendation from the Chancellor for expulsion at the next regularly scheduled meeting of the Board after receipt of the recommended decision.

- The student shall be notified in writing, by email and registered or certified mail to the address last on file with the District, or by personal service, at least three days prior to the meeting, of the date, time, and place of the Board's meeting.

- The student may, within forty-eight hours after receipt of the notice, request that the hearing be held as a public meeting.

- Even if a student has requested that the Board consider an expulsion recommendation in a public meeting, the Board will hold any discussion that might
be in conflict with the right to privacy of any student other than the student requesting the public meeting in closed session.

- The Board may accept, modify or reject the findings, decisions and recommendations of the Chancellor, the College President, or the hearing panel. The College President and/or designee may order immediate suspension of a student where he or she concludes that immediate suspension is required to protect lives or property and to ensure the maintenance of order. In cases where an interim suspension has been ordered, the time limits contained in these procedures shall not apply, and all hearing rights, including the right to a formal hearing where a long-term suspension or expulsion is recommended, will be afforded to the student within ten (10) days.

Temporary immediate removal of a student from the residence halls may accompany immediate interim suspension, or be ordered independent of suspension, when determined by the College President and/or designee required to protect lives or property and to ensure the maintenance of order of residential living.

**Removal from Class** (Education Code Section 76032)

Any instructor may order a student removed from his or her class for the day of the removal and the next class meeting. The instructor shall immediately report the removal to the CSSO or designee. The CSSO or designee may arrange for a conference between the student and the instructor regarding the removal. If the instructor or the student requests, the CSSO or designee shall attend the conference. The student shall not be returned to the class during the period of the removal without the concurrence of the instructor. Nothing herein will prevent the CSSO or designee from recommending further disciplinary procedures in accordance with these procedures based on the facts which led to the removal.

**Withdrawal of Consent to Remain on Campus**

The CSSO or designee may notify any person for whom there is a reasonable belief that the person has willfully disrupted the orderly operation of the campus that consent to remain on campus has been withdrawn. If the person is on campus at the time, he or she must promptly leave or be escorted off campus. In no case shall consent be withdrawn for longer than fourteen (14) days from the date upon which consent was initially withdrawn.

Any person as to whom consent to remain on campus has been withdrawn who knowingly reenters the campus during the period in which consent has been withdrawn, except to come for a meeting or hearing, is subject to arrest. (Penal Code Section 626.4)
